At the beginning of each school year, the Superintendent or designee shall send a notification to the parents/guardians of all students, and to all students in grades 7-12, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. ## **Chronic Absence and Truancy**

BP 5113.1

### **Students**

The Governing Board believes that excessive student absenteeism and tardiness, whether caused by excused or unexcused absences, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the district.

(cf. 5113 - Absences and Excuses)

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students classified as chronic absentees and truants, as defined in law and administrative regulation.

The Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

He/she also may collaborate with child welfare services, law enforcement, courts, public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to ensure that alternative educational programs and nutrition, health care, and other support services are available for students and families and to intervene as necessary when students have serious attendance problems.

Students who are identified as truants shall be subject to the interventions specified in law and administrative regulation.

A student's truancy, tardiness, or other absence from school shall not be the sole basis for his/her out-of-school suspension or expulsion. Alternative disciplinary strategies and positive reinforcement for attendance shall be used whenever possible.

(cf. 5144 - Discipline)  
(cf. 5144.1 - Suspension and Expulsion/Due Process)

The Superintendent or designee shall regularly analyze data on student absence to identify patterns of absence districtwide and by school, grade level, and student population. Such data shall be used to identify common barriers to attendance, prioritize resources for intervention, and monitor progress over time.
