

Diamond Valley Students Ski at Kirkwood!

Dear Parents and Guardians,

Diamond Valley Elementary has again been the fortunate recipient of an **Epic Promise Grant from Vail Resorts**. This grant will make it possible for all of our students at Diamond Valley Elementary School to take lessons at Kirkwood this winter.

Kindergarten, 1st, 2nd and 3rd graders will be taking ski lessons. Our students in 4th through 8th grades will take either ski or snowboarding lessons. There is no cost to our district or our families.

Thank you, Vail Resorts for the Epic Promise Grant of lessons, tickets, equipment rentals and the cost of our transportation to Kirkwood. Our Diamond Valley Elementary School students, staff and community are very grateful for your continued generosity and support of our students.
