1. Those caused by personal sickness or injury, pregnancy, jury duty, military service or emergencies beyond their control.

3. Those stemming from occupational status such as attendance at meetings, conventions, inservice courses and seminars, and other patterns of additional study.

The Governing Board recognizes that absences for such reasons are justifiable and will provide for employee absences as authorized by law, or as permitted by the Board in the following policies and regulations.

Long-Term Leaves

Employees may be granted long-term leaves of absence as permitted by law and specific district policies or regulations.

The Governing Board reserves the right to specify the conditions under which long-term leaves may be granted. Long-term leaves may be granted for the following purposes: study, travel, restoration of health, disabilities in the immediate family, political, maternity/child care, military service, employee organization duties, teacher exchange, or any other related educational activity.

Excepting emergencies, no employee will commence a long-term leave other than at the conclusion of a semester.

The employee granted a long-term leave shall inform the Governing Board within ninety (90) days of the scheduled return date as to the employee's intentions.

At the expiration of the long-term leave, the employee shall be reinstated in the position held by him/her at the time the leave was granted.

Personal Illness And Injury

BP 4161.1

Personnel

Every certificated employee working five school days each week is entitled to ten (10) days personal illness or injury leave of absence per year with full pay. Personal illness and injury leave for employees working less than five days per week shall be proportionately less. Each employee is entitled to the full number of days sick leave authorized for the full year as of the first day the contract is in effect. (Education Code 44978)

NOTE: Ten (10) Days Leave Of Absence Per Year Is The Minimum Prescribed By Law. The Governing Board May Allow Additional Days At Its Discretion.

Unused days of sick leave for personal illness and injury shall be accumulated from year to year without limitation.

The Governing Board shall establish regulations to implement this policy, including but not limited to, procedures for verification of the illness or injury reported by the employee, notification of the district by the employee so that a substitute may be obtained, and notification of the district if the absence will be longer than first estimated.

Employees may use sick leave as provided for in this policy for absences due to pregnancy, miscarriage, childbirth and recovery. (Education Code 44978)

Employees absent for a period of five (5) months or less due to illness or accident are entitled to their regular salary less the amount actually paid the substitute employed to fill the absent employee's position.

Administrative Regulation

Personal Illness/Injury Leave

AR 4161.1

Personnel

Certificated employees employed five school days a week are entitled to 10 days' leave of absence with full pay for personal illness or injury (sick leave), per school year of service. Employees who work less than five school days per week (part-time employees) shall be granted sick leave in proportion to the time they work. However, any part-time employee who is entitled to less than three days of paid sick leave due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if he/she is eligible. (Education Code 44978; Labor Code 245-249)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

Use of Sick Leave

Certificated employees may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of or in the course of employment; quarantine which results from contact with other persons having a contagious disease during the employee's performance of his/her duties; or temporary inability to perform assigned duties because of illness, accident, or quarantine (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

2. Pregnancy, miscarriage, childbirth, and related recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour

5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)

(cf. 4161.11/4361.11 - Industrial Accident/Illness Leave)

6. In any calendar year, an employee may use the amount of sick leave he/she would accrue

during six months at his/her current rate of entitlement for the following: (Labor Code 233, 246.5)

- a. Need of the employee or his/her family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care
- b. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of his/her termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

The Superintendent or designee shall notify any certificated employee who leaves the district after at least one school year of employment that if the employee accepts a certificated position in another district, county office of education, or community college district within one year, he/she may request that the district transfer his/her accumulated sick leave to the new employer. (Education Code 44979, 44980)

Notification of Absence

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which he/she intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or injury, continues to be absent from his/her duties for an additional period up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary.

An employee shall not be provided more than one five-month period per illness or injury. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

(cf. 4116 - Probationary/Permanent Status)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Healthy Workplaces, Healthy Families Act Requirements

No employee shall be denied the right to use accrued sick days, and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:
 - a. That an employee is entitled to accrue, request, and use paid sick days
 - b. The amount of sick days provided by Labor Code 245-249
 - c. The terms of use of paid sick days
 - d. That discrimination or retaliation against an employee for requesting or using sick leave is prohibited by law and an employee has the right to file a complaint with the Labor Commissioner if the district discriminates or retaliates against him/her
2. Provide at least 24 hours or three days of paid sick leave to each eligible employee to use per year and allow eligible employees to use accrued sick leave upon reasonable request
3. Provide eligible employees written notice, on their pay stub or other document issued with their pay check, of the amount of paid sick leave they have available

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)
4. Keep a record documenting the hours worked and paid sick days accrued and used by each eligible employee for three years

Personal leaves granted to district employees shall be used as permitted in this administrative regulation, other Board-approved policy or district regulation, or applicable collective bargaining agreement.

For the purpose of any personal leave offered pursuant to state law, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5)

Whenever possible, employees shall request personal leaves in advance and prepare suitable instructions, including lesson plans as applicable, for a substitute employee.

(cf. 4121 - Temporary/Substitute Personnel)

Bereavement

Employees are entitled to a leave of up to three days, or five days if out-of-state travel is required, upon the death of any member of the employee's immediate family. No deduction shall be made from the employee's salary, nor shall such leave be deducted from any other leave to which the employee is entitled. (Education Code 44985, 45194)

(cf. 4161/4261/4361 - Leaves)

Members of the immediate family include: (Education Code 44985, 45194)

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, personal necessity leave shall not be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters which can be taken care of outside of working hours. (38 USC 4312; 20 CFR 1002.116)

(cf. 4032 - Reasonable Accommodation)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of his/her case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)

Maternity leave for a prior pregnancy shall not be resumed after having returned to full-time employment.
 - e. The maternity leave shall not exceed one year. Employees commencing maternity leave prior to the sixth school month shall return to work no later than the following September.

Employees commencing maternity leave after the fifth school month shall return to work no later

than the following January.

f. Maternity leave shall be without pay.

g. Sick leave may not be taken during the period of time an employee is on maternity leave, unless the sick leave is for the condition of pregnancy, a sickness arising out of pregnancy, or the recovery from childbirth.

h. Maternity leave does not interrupt earned years toward experience; however, the leave itself does not count as experience toward advancement, unless the employee works at least seventy five percent (75%) of the work days during the year.

2. Use of Sick Leave for Maternity Purposes (Education Code 44965)

An employee may apply for paid sick leave due to pregnancy when it is verified by a physician that she is no longer able to work due to the condition of pregnancy or the recovery from childbirth.

Should the length of sick leave exceed her accrued number of sick leave days, she will not be entitled to extra days of sick leave, except as provided in code for reduced pay sick leave.

Sick leave for maternity purposes shall begin at the date the physician decides that continued fulfillment of her duties would be detrimental to her health and shall terminate on the date her physician decides she can return to her normal job responsibilities.

3. Combining Maternity Leave and Sick Leave for Maternity Purposes (Education Code 44978)

Nothing in Parts 1 and 2 above shall prevent an employee from combining maternity leave and sick leave for maternity purposes for the same pregnancy. The employee shall designate, prior to the first day of either type of leave, which days of absence shall be taken as maternity leave and which days shall be taken as sick leave.

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

Child (son or daughter) means a biological, adopted, or foster child; a stepchild; a legal ward; or a child to whom the employee stands in loco parentis, as long as the child is under 18 years of age or an adult dependent child. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611)

Eligible employee for FMLA and CFRA purposes means an employee who has been employed with the district for at least 12 months and who has at least 1,250 hours of service with the district during the previous 12-month period. However, these requirements shall not apply when an employee applies for PDL. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.110)

Employee disabled by pregnancy means a woman who, in the opinion of her health care provider, is: (2 CCR 11035)

Serious health condition means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or his/her child, parent, or spouse, including, but not limited to, treatment for substance abuse, that involves either of the following: (Government Code 12945.2; 2 CCR 11087, 11097; 29 USC 2611; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when a health care facility formally admits him/her to the facility with the expectation that he/she will remain overnight and occupy a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:

Eligibility

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2; 29 USC 2612; 29 CFR 825.112)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child (baby bonding)
2. To care for the employee's child, parent, or spouse with a serious health condition
3. The employee's own serious health condition that makes him/her unable to perform one or more essential functions of his/her position
4. Any qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)
5. To care for a covered servicemember with a serious injury or illness if the covered servicemember is the employee's spouse, child, parent, or next of kin, as defined

In addition, the district shall grant PDL to any female employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. (Government Code 12945.2; 29 USC 2612)

This 12-month period shall coincide with the fiscal year. (29 CFR 825.200)

In addition, for each pregnancy, any female employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of her child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. (2 CCR 11090; 29 USC 2612)

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 work weeks. This restriction shall apply regardless of the legal status of both parents' relationship. (Government

Code 12945.2; 2 CCR 11088; 29 USC 2612)

Use/Substitution of Paid Leave

During the period of PDL or any FMLA or CFRA leave, the employee may elect to use his/her accrued vacation leave, accrued sick leave, or any other paid time off negotiated with the district that he/she is eligible to use. (Government Code 12945, 12945.2; 2 CCR 11044; 2 CCR 11092; 29 USC 2612)

The district and employee may also negotiate for the employee's use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or his/her child, parent, or spouse may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. (2 CCR 11042, 11090; 29 USC 2612)

The basic minimum duration of leave for the birth or placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position if the employee is pregnant and provides medical certification from her health care provider of a medical need for intermittent leave or leave on a reduced work or leave schedule or if the employee's need for the intermittent leave or leave on a reduced work or leave schedule is foreseeable based on his/her planned medical treatment or that of a family member. This alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Request for Leave

The district shall consider an employee's request for PDL or family care and medical leave only

if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

When an employee is able to foresee the need for the PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Within five business days of an employee's request for family care and medical leave for his/her own or his/her child's, parent's, or spouse's serious health condition, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began

2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of the child, parent, or spouse during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the child, parent, or spouse
4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee doubts the validity of a certification that accompanies a request for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

For PDL, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if he/she has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because she is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011.

Release to Return to Work

Upon expiration of an employee's PDL or family care and medical leave taken for his/her own serious health condition, the employee shall present certification from the health care provider that he/she is able to resume work.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

The certification from the employee's health care provider shall address the employee's ability to perform the essential functions of his/her job.

Rights to Reinstatement

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

However, the district may refuse to reinstate an employee returning from FMLA or CFRA leave to the same or a comparable position if all of the following apply: (Government Code 12945.2; 2 CCR 11089; 29 USC 2614)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of district employees who are employed within 75 miles of the employee's worksite.
2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.

3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

The district may also refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, he/she shall maintain his/her status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the district for premiums paid during the leave if he/she fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid FMLA leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while his/her child, parent, or spouse who is a military

member is on covered active duty or on call to covered active duty status. (29 USC 2612; 29 CFR 825.126)

Covered active duty means duty during the deployment of a member of the regular Armed Forces to a foreign country or duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. (29 USC 2611; 29 CFR 825.126)

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to 15 days of leave per instance) with a military member who is on short-term, temporary, Rest and Recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or

leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of his/her accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, son, daughter, parent, or next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness
2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran

Son or daughter of a covered servicemember means the biological, adopted, or foster child, stepchild, legal ward, or a child of any age for whom the covered servicemember stood in loco parentis. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, or as designated in writing by the covered servicemember. (29 USC 2611, 2612)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member

in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.

2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:

a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered him/her unable to perform the duties of his/her office, grade, rank, or rating

b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or partly on that physical or mental condition

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

The leave may be taken intermittently or on a reduced work or leave schedule when medically necessary. An employee taking military caregiver leave in combination with other leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

During the period of military caregiver leave, the district's rule regarding an employee's use of his/her accrued vacation leave and other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Notifications

The Superintendent or designee shall provide the following notifications regarding state and

federal law related to PDL or FMLA/CFRA leave:

1. General Notice: Information explaining the provisions of the FEHA/PDL and FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (2 CCR 11049, 11095; 29 USC 2619)

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days notice of the need for the requested leave, when the need is reasonably foreseeable at least 30 days prior to the start of the leave. (2 CCR 11050, 11091)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

2. Eligibility Notice: When an employee requests leave, including PDL, or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (2 CCR 11049, 11091; 29 CFR 825.300)

3. Rights and Responsibilities Notice: Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as applicable: (29 CFR 825.300)

a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification

c. The employee's right to use paid leave, whether the district will require use of paid leave, conditions related to any use of paid leave, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave

d. Any requirements for the employee to make premium payments necessary to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis

e. The employee's status as a "key employee" if applicable, potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial

f. The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave

g. The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of his/her receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

4. Designation Notice: When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (2 CCR 11091; 29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

If the district requires paid leave to be used during an otherwise unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a release to return to work certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement. (2 CCR 11091, 11097; 29 CFR 825.300)

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

Records

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (Government Code 12946; 29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500)

Family Care And Medical Leave

Your Rights Under The Family And Medical Leave Act Of 1993

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours over the previous 12 months, and if there are at least 50 employees within 75 miles.

REASONS FOR TAKING LEAVE

Unpaid leave must be granted for any of the following reasons:

- Â• To care for the employee's child after birth, or placement for adoption or foster care;
- Â• To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- Â• For a serious health condition that makes the employee unable to perform the employee's job.

At the employee's or employer's option, certain kinds of paid leave may be substituted for unpaid leave.

Advance Notice And Medical Certification

The employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met.

- Â• The employee ordinarily must provide 30 days' advance notice when the leave is "foreseeable."
- Â• An employer may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the employer's expense) and a fitness for duty report to return to work.
- Â• For the duration of FMLA leave, the employer must maintain the employee's health coverage under any "group health plan."
- Â• Upon return from FMLA leave, most employees must be restored to their original or

equivalent positions with equivalent pay, benefits and other employment terms.

• The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

UNLAWFUL ACTS BY EMPLOYERS

FMLA makes it unlawful for any employer to:

• interfere with, restrain, or deny the exercise of any right provided under FMLA;

• discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

ENFORCEMENT

• The U.S. Department of Labor is authorized to investigate and resolve complaints of violations.

• An eligible employee may bring a civil action against an employer for violations.

FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

Exhibit (2)

Family Care And Medical Leave (Cfra Leave) And Pregnancy Disability Leave

Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 work weeks in a 12-month period for the birth, adoption or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.

Even if you are not eligible for CFRA leave, if you are disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under law.

If possible, you must provide at least 30 days' advance notice for foreseeable events (such as the expected birth of a child or planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.

Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.

We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or reduced work schedule.

If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.

Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

Administrative Regulation

Catastrophic Leave Program

AR 4161.9

Personnel

When an employee or a member of his/her family experiences a catastrophic illness or injury which requires the employee to take time off from work for an extended period of time, and the employee has exhausted all available sick leave and other paid time off, he/she may request donations of accrued vacation or sick leave credits. (Education Code 44043.5)

In making such a request, the employee shall provide verification of the catastrophic injury or illness. (Education Code 44043.5)

Verification shall be made by means of a letter, dated and signed by the sick or injured person's physician, indicating the incapacitating nature and probable duration of the illness or injury.

Upon determination that the employee is unable to work due to his/her own or a family member's catastrophic illness or injury, any other employee, upon written notice to the Governing Board, may donate accrued vacation and/or sick leave credits to the requesting employee. Donations shall be at a minimum of eight hours, and in hour increments thereafter not to exceed 40 hours. (Education Code 44043.5)

To ensure that employees retain sufficient accrued sick leave to meet their own needs, donors shall not reduce their accumulated sick leave to fewer than 40 hours.

All transfers of eligible leave credit shall be irrevocable. (Education Code 44043.5)

The employee who is the recipient of the donated leave credits shall use those credits within 12 consecutive months.

An employee who receives paid catastrophic leave shall use any leave credits that he/she continues to accrue on a monthly basis before receiving paid leave pursuant to this program. (Education Code 44043.5)
