

PBIS Steps
Diamond Valley Elementary School
Teachers Take Before a Referral:

- 1) **TWO student reminders/reteach statements for appropriate choices** such as:
 - “I’d appreciate you walking in the hall.”
 - “Jordan, come back to the gym and I’ll show you how we expect you to walk in the halls.”

- 2) **Think sheet, time out, reset/reflection time or other appropriate correction** with the **intention** of having the child process their poor choice in order to make a better one next time

- 3) **Referral form** – Data collection sheet – Student sees our principal who will follow up with parents.
