

Kindergarten Screening and Registration

Any child who will be **five years old by September 1, 2018**, is eligible to enter kindergarten in the fall and must participate in the screening and registration process. Children are eligible for transitional kindergarten if their **fifth** birthday falls between September 2nd and December 2nd, 2018 (inclusive). Transitional kindergarten is the first of a two-year kindergarten program that provides an age and developmentally appropriate curriculum. The kindergarten teacher and school nurse will conduct registration.

Registration for the 2018-2019 school year will be held:

Friday, April 27, 2018 at the Alpine Early Learning Center, 100 Foothill Rd., Markleeville, CA. The first screening/registration appointment will be at 8:30am. Please call Diamond Valley Elementary School at 694-2238 to schedule an appointment.

Please bring the following required information at the time of registration for the child you are enrolling in school:

1. Birth Certificate
2. Immunization Record
3. Name and address of family physician and dentist

Please bring your child with you. During the registration process, your child will be given screening activities and surveys. You will be required to fill out registration forms and talk with the kindergarten teacher and other support staff.

A "Report of Health Examination for School Entry" is required by California law. At registration, you will receive this form for completion by the medical provider of your choice. You may call the Alpine County Health Department at 694-2146, the Washoe Tribal Health Clinic at (775) 265-4215, or your own family physician to set up an appointment. You will also receive an "Oral Health Assessment" form to be completed by a dental provider.

Please note: All immunization documentation must be completed and turned in to the school office before your child starts school on the first day or he/she will be sent home.

We are looking forward to seeing you and your new kindergartner at our Screening and Registration! Please call Diamond Valley Elementary School at 694-2238 to set up an appointment.

Thank you for your interest in your child's education!
